

Dear Community Business:

We invite you to join our Liberty Lions Football family of sponsors! As the 2014 Arizona State Division II runner up team, we continue to be dedicated to fostering a football program built on integrity, team work, positive influence, and a sense of community for our youth. We could not do this without the support of our community.

Liberty Lions Football Club is looking for community sponsors for various events throughout the 2017 football season. We are looking for corporate sponsors, team meal sponsors, and donations to be used for raffle prizes and silent auctions. We offer a comprehensive corporate sponsorship program with multiple sponsor packages, as well as a-la-cart options. We can design a sponsor package to meet your unique business needs. Your generous contribution will help us to provide the best program possible for our athletes as they lead our "team" and "community" to victory!

Please contact one of the Corporate Sponsorship Committee members listed below or send an email to [lhs.lionsfootball@yahoo.com](mailto:lhs.lionsfootball@yahoo.com) if you have any further questions. We look forward to working with you as we strive to achieve our team goals, while building strong community relationships.

Thank you for your support!
