BECOME A SPONSOR TODAY!

The Brookwood Wrestling Takedown Club would like to thank all of our sponsors for your continued support. Your generosity helped our program achieve great success in 2023!

We earned top eight honors at State Duals by securing a Region Runner-up finish and capturing a Sectional Duals Title. We qualified 7 wrestlers for the Traditional State Championships, finishing with 4 state placers. This season we return all 7 State qualifiers and are looking forward to continuing success on and off the mats.

Community Sponsorships are allocated for program initiatives beyond our annual operational expenses such as our adopt a wrestler program, wrestling camp scholarships, & capital improvements.

Donations received this season will help our team purchase a equipment and supplies to update our wrestling room, weight room and locker room. Additionally, the adopt a wrestler program supports wrestlers who may be experiencing financial hardship.

Past support has provided our team with the tools and opportunities we have thrived upon. This season we are looking forward to continuing success on and off the mats. Our wrestling program continues to provide a place for our young men and women to come together through common goals in the pursuit of excellence. We ask for your support in our journey and thank you in advance for helping BHS Wrestling sustain a healthy environment that is positive and safe for our student athletes. Thank you for believing in what we do.
