

June Recital Sponsorship

ENDEAVOR
ENDEAVOR
SCHOOL OF THE ARTS

Hello,

I'm Shannon McCarthy
CEO, Endeavor School of the Arts

Established in 2008, Endeavor School of the Arts has proudly served as a beacon of creativity and excellence in dance education.

At Endeavor, we believe in more than just teaching dance steps; we foster a positive environment where every child's aspirations are honored and encouraged. Our mission is simple yet profound: to empower young dancers to pursue their dreams with confidence and determination.

Endeavor is a boutique dance studio in the heart of Costa Mesa, CA. We work closely with families to develop a personalized journey for each dancer from their first dance steps in our tiny tot program through to our Pro Company competitive team.

Sponsorships

Calling all community businesses!

This year we are looking to partner with local businesses to be our June Recital Sponsors! The funds raised from these sponsorships will fund our year end performance at Costa Mesa High School on June 6th, 2026 as well as our student celebration party. These funds will allow us to create special experiences for all of the dancers at Endeavor including t-shirts for dancers, backstage treats, lighting upgrades, and cast party snacks.

This sponsorship is a great way to get your name visible to over 250 local families!
