 - U13-19 teams will be posted later in the month

 - We need to check sunset times in October.
- Jon is working on team expectations. He'll be posting a full list of teams so players know what they are tryout out for.

Communications Director

- Pictures – next year we'll do this before the season starts.

Referee/Field Director

- All spots are filled, currently, for the entire season.
- May payment to referees is done.
- Ask the City about holes in the fields on 2 & 6A, and sod on 6A & 5. Will ask if we can just take care of it ourselves.
- Ask the city to move the extra goals, or put caution tape around them, or something
- Ask Field Hosts on Monday nights to keep Rec kids/parents off the big fields – they are impeding practices and games
- Ask the city to stake down the goals on Field A1, etc. – the gray ones are lighter, and move more

Volunteer Director

- I have removed the limit so now anyone can sign up for as much as they want
- Many complaints about working over the 3 hour time frame advertised. Need to add some verbiage about that on the website.
- Field hosts are harder to come by – until they do it once and see how easy it is.
- Currently have 2 picture volunteers.
- Currently have 2 Derby Day Planners to call people, same 2 signed up to walk in the parade.
- Can we look at a credit card swipe for the concession stand?
- Receiving many kudos on the concession stand this year.

Coaching Director

- Please keep in contact with U15C3 Girls – support them (Kayla's team)
- U13C2 Girls are concerned about keeping their status (Ceola's team). Also there is dissention on the field amongst the team, however their skills are increasing. Jon will follow up with Mike.
- Jon & Robert will discuss the coaching situation on the U18Boys team.

Tournament Director

- Weather was bad, but that was all that was bad ... so it was good!
- Ref Report and Red Card report needs to be turned in
- Ideas for next year (taken from Tonka Splash) – bag tags, Culvers coupons, Star Player cards
- Need someone checking restrooms more often
- Let's have T-shirts next year – pre-orders!
- Dibs worked GREAT
- Friday PM – not as many volunteers
- Registration went smoother with consistency of volunteers
- Check with HS about using fields for a bigger tournament next year
- Let's do more fundraising – and get someone to do it (Culvers, Walmart, Tiziani or Stonebrooke)
- Let's have a Tournament Committee next year

Equipment Coordinator Report

General Board Meeting

Submitted by: *Dan Meehan*

Date: *June 5, 2009*

EQUIPMENT:

Uniform Update:

We have a small amount of uniforms still available. Currently we've had a few new players added (2 players for U9 Girls Red, 1 player for U18 Boys, and potentially 1 player for U19 Boys). We'll be able to fill these uniform orders but after this we will probably need to order some uniforms from Adidas for Fall. We might want to look at placing an order before August.

Warm Ups and Backpacks:

Warm Ups and Backpacks are still on backorder from Adidas. There is no definite date as to when they will be available, but it is assumed it should be in June. I had sent out an email on May 13 letting those who had ordered these products know of this. We might want to change the website to reflect that these products are currently on backorder from Adidas. When these products come in I will contact them and have them pick them up at the concession stand.

Also, we have a warm up jacket and a backpack that were done in error (embroidery was done on these two products, but for various reasons they were not needed). I will set these aside to be used as "samples" for the concession stand and for warm up ordering in the future.

Team Equipment:

To date, I have not heard of any problems with the equipment. If there are any complaints or problems please let me know.

Also, I will be conducting an inventory of the equipment and supplies at the end of June, prior to the end of the season, so I can ensure that we have a proper count of what is available and expected to be returned at the end of the season.

Volunteer Report

General Board Meeting

Submitted by: Patti Isensee

Date: 06/04/2009

I took off the limit of how many volunteer hours a person can do- Many people were expressing that they want to do more but they can't sign up. With regions coming up we will need the extra help

Have complaints when their shifts runs over about getting only credit for the shift (mostly on the tournament). I try to accommodate but I will not add .25 or .5 onto a shift as that does not change the amount that they need to sign up for.

Filed host still is not filling up as fast as concession stand but once people work it they enjoy it.

Sunday concession stand is not filling up for volunteers. If anyone has Spanish speaking families that would like to get their hours in this is a great opportunity.

2 people for picture hand-outs so when those come in please contact me to get the names or I can send them to who ever will be working with them just let me know who it is.

Also 2 people signed up for Derby Days planner- who should those people contact to find out what they will be doing?

2 people signed up to walk in the parade with kids. Who should those people contact to find out what they will be doing?
