Coaches and Team players:

Please remember if you would like to do dry land in the Multi-purpose room you need to check the door first before entering. We may have parties taking place, (especially during the weekends) and we cannot be entering the room.

Please be respectful of our renters privacy. We will be posting a sign on the door that indicates that a private party is using the room at that time, please find another location to do dry land away from the Multi-purpose room.

Thank you

Craig and Julie

We are in desperate need of hockey equipment for our rental program. If you have rental equipment that you are not using and that can be returned, please return it as soon as possible. We have run out of equipment for our Pre-Hockey program skaters to rent!

Thanks to Bryan Pfaff and Todd Rusniak for helping get the nets sand blasted, painted and re-netted! They turned out nice!

Coaches, please use the game nets for games only . . . my plan is to maybe get 2 1/2 seasons out of them.

Thanks
