**Wyoming Valley Meeting Report – Ben Miller**

- Referee E-course being hosted by West Side United starting April 20<sup>th</sup> cost \$100.00
- Noted that United Soccer broke and may be looking for fields.
- A referee refresher course will take place in August. Aimed at the young Refs No Charge for this refresher.
- Ben passed out info about the coaches F and G license course that will be offered on July 21<sup>st</sup>. KYSA is the host for this event.

**OLD BUSINESS**

-Ben talked about how the Spring soccer registration is going so far, teams are filling up and some teams are in need of more players. Ben will be making a email blast to remind everyone that Spring registration is coming to a close soon- March 10 will end online sign-ups.

**NEW BUSINESS**

- Ben is looking to secure the field behind the Dana Street School for Spring and the Fall soccer seasons.
- Seeding of the 3<sup>rd</sup> street field by the old Price Chopper is needed and will be looked into. Possibly for the Spring or at the end of the Spring soccer season, at the end of June.
- It was brought up that the league will pay for training of the coaches and that the sponsor money received from Bonner will go to the coach training effort. Sponsors will be seeked out in order to help with training and as a way to help keep out registration fees as low as we can. The board will have to talk with Treasure Jack McHale who brought up that a registration fee for the fall season may be needed, to find out how much of a raise of the fee he is talking

about. Since Jack was not present this issue will be talked about at the upcoming board meeting on March 15 at 7pm. at the Grotto Pizza.

Ben also mention that EPYSA is changing the website to do registrations and that Amy Langley will continue to be the club registration.

The KYSA website is being updated and will be a place to go for all current club info very soon. Any new ideas for the website should be brought to the board meting in April.

-  
Meeting adjourned at 8:30 PM
