

Dear PYHA Association,

Please accept this letter of intent to run for a position on the PYHA Board of Directors.

I am Scott Anderson. I would like you to please consider me for a position on the PYHA Board of Directors.

My wife Ann and I have lived in the Princeton area for 12 years. We have four children. Ray (9), Owen (7), Jake (4), and Emma (1), all of whom are hockey enthusiasts. We've been involved in PYHA for the past five years, since 2007.

Our family has made treasured friendships over the years at PYHA that carry over into the non-hockey season (if there is such a time of the year)! This past winter season, Ray skated as a Squirt, and Owen an A Mite and Jake a D Mite. Much family time is spent together either on the ice or rink side coaching/cheering on the many TIGER teams!

I have served in coaching roles, since 2007. Teaching the fundamentals of hockey to youth over the past five years has been a very enjoyable and rewarding experience for me.

As a Board Member, I would bring forth many diverse skills and abilities that would help the association. My career and life experiences have given me skill sets that I will use as Board Member to help benefit all skaters and parents!

Thanks for your care in choosing me, as a committed, qualified candidate!

Sincerely,

Scott Anderson
