

The Super Cooper 5K & 1-Mile Race

January 2013

Last year Cooper Life Fund raised \$15,000 in proceeds at the Super Cooper race for families of children born with serious medical conditions. The proceeds provide medical and social care to the infants and families of infants unexpectedly admitted to the Terrebonne General Medical Center - NICU. Examples of items provided are gas cards, strollers, lodging vouchers and other items while their baby remained in intensive care. This year the Super Cooper race will take place on Saturday, March 23, 2013 at The Workout Company on Corporate Drive in Houma, LA.

Cooper Life Fund is a 501(c)(3) nonprofit organization created with an objective to develop methods of raising money for institutions that help children and families of children with medical conditions. We also believe strongly in promoting ways for living a healthy lifestyle. John and Ashley Fontenot founded the organization after their son Cooper Fontenot was born in 2004 with a Congenital Heart Defect.
