NEEBING MINOR HOCKEY ASSOCIATION

PARENT CODE OF CONDUCT

Neebing Minor Hockey will institute a written code of conduct for parents registering for the _____ year season. Neebing Minor Hockey recognizes the need to support our volunteers and set a minimum level of expectations for the parents of the players involved in our system. The code of conduct is intended to establish a policy that will return a level of mutual respect to the game. The full code of conduct can be found on the Neebing Hockey Website @ (www.neebinghockey.com). The document we are asking you to sign represents the essential excerpts from that document. Every parent will be asked to sign and return this prior to your child making a team. Failure to abide by the code of conduct will result in a warning. Repeated breach of the code may result in suspension from team events.

24 Hour rule.

I agree that I will not discuss any concerns from a game, practice or team event with any member of the team staff for a period of 24 hours after the game, practice or team event. In addition I will review the issue with my son/daughter and then if I feel it needs to be addressed, I will approach the team manager and respect the process that is in place for the resolution of team issues.

Bench

I will not approach the bench during or at the conclusion of a game, skills or practice session. If my child is injured I will await instructions from the trainer who is certified and equipped to deal with the situation.

As a parent I acknowledge and respect the relationship and commitment my son/daughter makes to be a member of a team. I realize and understand that my son/daughter needs to adhere to the values and goals of their coach and the Neebing Minor Hockey Association in order to learn individual and team skills. As a role model for my son/daughter I agree to conduct myself in a manner that will allow the values and goals of the team and the organization to be achieved. The code of conduct has been created to guide parents to achieve a level of mutual respect and will allow all sports participants to enjoy the full benefit of the events.
