All Proceeds will go directly to St. Jude Children's Hospital. St. Jude is the world's premier center for research and treatment of pediatric cancer. Children from all 50 states and around the world come through the doors of St. Jude for treatment, and thousands more benefit from the research conducted at St. Jude — research that is shared freely with the global medical community. No affected family ever pays St. Jude for anything-ever... But they can't do it without our support! Please join us now to support this great cause.

Special thanks to the Franklin Pierce SD, SPYA, FPSC and many other donors and volunteers!
