

**NEW ULM AREA YOUTH SOCCER ASSOCIATION
TEAM PARENT DUTIES - CLASSIC and REC-PLUS TEAMS**

1) Team Contact Person

- Provide parents a roster of the team's player names / numbers
- Maintain a current list of email addresses and phone numbers for all families on the team.
- If necessary - make phone calls/send emails or texts if families need to be notified about last-minute changes in practice or game arrangements. The coach might also handle these notifications themselves.
- Maintain and update information on the team's area of the NUAYSA website. Training on how to update the website is provided.

2) Away Games and Tournaments

- Help arrange carpools via email, text or phone calls to make sure everyone has rides to out of town league games. Those carpooling generally meet at and leave from the Walgreen's parking lot.
- Assist coaches with planning for out-of-town multi-day tournaments. This includes locating hotels at which team families are encouraged to reserve rooms. Usually there is not more than one multi-day tournament per season.

3) Miscellaneous

- Arrange for the annual team photograph.
- Plan for an end-of-season team gathering.
- Assist coaches with collecting pictures and assembling member passes for each player
