

MUST BE SIGNED BY ALL INDIVIDUALS CURRENTLY IN POSSESSION OF,  
OR THAT WILL BE PURCHASING A BATTING CAGE USE IN ORDER TO USE THE CAGES.

It is the responsibility of the purchaser|owner of the cage usage to read and understand this agreement. By signing this document you acknowledge and agree to all points listed below. If you do not sign, you will not be allowed to use the cages.

Your purchase of batting cage usage buys you the privilege to use the batting cages at the Irish Sports Dome according to the following rules and regulations.

Your cage purchase can be used for access to the batting cages as well as field space if it is available. Field space availability must be confirmed with the Irish Sports Dome employee working at the front desk before you may use any field space.

The 3-5 yard gap between the lined out turf field and the batting cages does not qualify as open field space. This space may not be used for warming up.

Unless field space is available, under no circumstances can you warm up outside of the batting cages. All throwing and swinging of bats must be done inside the cage that you have booked. This is to insure the safety of those renting the field space adjoining the batting cages.

It is the responsibility of the cage user to keep track of time used. Especially during busy times it is essential that you enter and exit the cages according to your scheduled booking in order to not disrupt the cage schedule.

If you rent a cage for 30 minutes, that means you have access to the dome for that amount of time. 30 minutes does not mean show up 15-20 minutes early to warm up before your scheduled time. If you would like extra time to warm up, you must schedule it.

If there is no one scheduled after you, or waiting in line, check with staff for additional cage time. You may be charged for any additional time that you use.

Failure to follow these rules will result in the following actions:

**First offense** | Verbal warning, informing you or your group that you have failed to follow a listed rule

**Second offense** | Verbal warning and you will be asked to leave the Irish Sports Dome. You will be charged for the full length of your booking.

**Third offense** | Cage card, rental forfeiture. You will be asked to leave the dome, and your remaining cage usage time will be removed from our system with no refund. Your account will be flagged.

By signing this agreement I hereby acknowledge all rules and regulations regarding cage usage in The Irish Sports Dome.
