

**REFEREE SCHEDULER**     [www.assignr.com](http://www.assignr.com)

Ref Scheduler is a referee assigning system, that the 3 assignors use on a daily basis to assign referees for all the NVMHA games for Initiation, Atom, PeeWee and Bantam House.

Team managers are required to get a sign on from the ref schedulers at the beginning of the season to allow them access.

Please email your relevant ref assignor to get this sign---on

<a href="mailto:refassignorcarolyn@gmail.com">refassignorcarolyn@gmail.com</a>	Initiation and Atom House	604---924---9722
<a href="mailto:refassignorhelen@gmail.com">refassignorhelen@gmail.com</a>	Atom Rep and Pee wee House	604---250---6307
<a href="mailto:refassignorshirley@shaw.ca">refassignorshirley@shaw.ca</a>	Pee wee Rep and Bantam House	778.991.6438

Once you have your access, sign on and update your profile.

You will see all games for your division ie Pee wee contact or Bantam house etc.

You can then access the games that have been entered into the system, double checking that the assignors have received all games being played and all game conflicts that have been made.

Secondly, you get to check that refs have been assigned for your games. This should be done about 24 hours prior to a game and if there are any errors discovered or no sign of refs, you must immediately contact the ref assignor.

We, the ref assignors are assigning 30+ games a week and would appreciate all managers doing a double check in case something is missed.

Thank you for your co---operation
