Behind every successful event are generous sponsors like you, and we're thrilled for you to consider supporting the third-annual Angels of Life Hair and Fashion Show!

The event beneficiary, GTF, assists patients and families during the transplant process. In fact our salon's managing partner, Lester, is a two-time heart transplant recipient and knows first hand the struggles of the process. With support from our community, we hope to help give the gift of life to deserving families across the state.

Thank you again for your consideration!
