

MSGHL Monthly Conference Call – November 13, 2013

Attendance – All associations except for Jr Eagles and Telluride were present on call

- League Play started (No U12 games as of call date). All going well. Thanks to all Associations for getting their info in, and to Scott Glynn (MSGHL Scheduler) for loading all the info into Pointstreak. Scott had a couple of reminders – send any roster changes via email for documentation/confirmation; jersey numbers; make sure coaching rosters are correct; make sure you have all your USA rosters in order and they match up with Pointstreak rosters.
- Any Non-League Games – must be in Pointstreak, send to Scott G with as much notice as possible so he can load into the schedule.
- Remember you need to get travel permits for games out of state (ie New Mexico) through CAHA – forms available on their website (under Manager tab)
- Please pay any outstanding team fee invoices.
- Tier II team State Playoffs are same weekend as MSGHL State Tournament (Feb 21-23). This is unfortunate. League subsequently notified CAHA of our concern and found out that Districts have been set for March 7-9, therefore making Feb 21-23 the only weekend available for State due to 2 week travel notice requirements (and the fact that the prior weekend of 2/14-17 is Pres Day and many teams already signed up and committed to tournaments). The conflicting schedule for Feb 21-23 will impact maybe 3 girls across the league who play on both a Tier II and Rec (A) team. We were assured that next year there will hopefully be more coordination and communication around dates.
- We have been able to modify the state tournament ice schedule so that we are back on track with previous years – starting Friday morning (2/21/14) and ending Sunday afternoon (2/23/14). Thanks Mowita!
- Reminder of new rec level team in New Mexico not playing in league this year but looking to play some non league games when other league teams are coming into town. Contact the association directly.

- Vail girls tournament is full. Steamboat girls tournament almost full (was 1 U19 slot still open as of call). Great to see everyone supporting the local tournaments!
- U16 Rockstar tournament team going to All American Girls Tourney.
- Best of luck to all of our teams in the league as your 2013-2014 seasons get underway!
- **Next monthly call – Wednesday, December 11th – 8:00pm**
