Policy/Procedure: Locker Room Supervision – Policy AF

Approved: June 26, 2010

Revised:

AYHA and USA Hockey are concerned with locker room activities between minor players; minor players and adult players; adults being alone with individual minor players in locker rooms; and with non-official or non-related adults having unsupervised access to minor participants at sanctioned team events.

It is the policy of AYHA and USA Hockey that all teams and other AYHA sponsored youth programs (ie; Learn to Skate) have at least one responsible adult present directly monitoring the locker room during all team events to assure that only participants, (coaches and players), approved team personnel and family members are permitted in the locker room and to supervise the conduct in the locker room. Any individual meetings with a minor participant and a coach in a locker room shall require a responsible adult be with the coach.

Further, responsible adults must personally monitor the locker room environment at all times while participants are present and also make sure the locker room is appropriately secured during times when minor participants are on the ice.

Teams, leagues and local associations shall also comply with the USA Hockey Coed locker room policy.
