Policy/Procedure: Code of Conduct – Policy B

Approved: September 1, 1993

Revised: October 30, 2001

The AYHA has developed and promotes a “Code of Conduct” for players, coaches, parents and guardians involved in the sport of hockey.

The Association has developed a pamphlet which outlines, in detail, the various aspects of the Code. Copies of this pamphlet will be given to each family and coach in the Association and routinely distributed to new members during the Fall Registration sessions.
