Policy/Procedure: Team Tournament Fees – Policy W

Approved: December 15, 1992

Revised: June 2004

AYHA will pay the team fee for the WAHA State Tournament. This fee is required to be submitted to WAHA by December 1st. A portion of this is returned to the association by WAHA if the team fails to qualify for the State Tournament.

Teams may also be required to play in a Region I tournament in order to qualify for the State Tournament. If a regional playoff tournament is required, the tournament fee will be paid by the AYHA. If a regional tournament is not required, but the team must play in one or more play down games, the AYHA will pay the fees associated with the play down games.

If the AYHA is the host Association for a WAHA State Tournament, our team at the level selected will not be required to play in the Region I Tournament.
