CVA Beach Club Information

Why Play Beach?

Beach volleyball offers tremendous opportunity for players to train and develop their all-around skills. The CVA Beach Club is open to boys and girls players ages 10-18 from all clubs (indoor season must be concluded if you played indoor for a club other than CVA) as well as players who did not play indoor club volleyball (Must join USA Volleyball prior to participation). You may join the CVA Beach Club, whether you have a partner or not. If you do not have a preferred partner, we will match you with other players looking for a partner!

Practice Schedule

All training sessions will be held on the sand courts at KEVA in Middleton. The CVA Beach Club training season consists of 10 training sessions, with a break built in during the indoor AAU National Championships, to accommodate the many athletes who will be competing in Orlando. Training sessions will be 1 1/2 hours within the listed time blocks and actual times will be determined based upon the number of players who register at each age group (i.e.—10:00am-11:30am OR 11:30-1:00pm):

Spring Training Dates/Times:

-Saturdays & Sundays: June 1, 8, 9 (9:00am-1:30pm)

Summer Training Dates/Times:

- Sundays: July 7, 14, 21, 28 (9:00am-1:30pm)

- Weds.: July 10, 17, 24 (8:00am-12:30pm)

Tournaments

We encourage players to participate in several tournaments, but training only is also an option that many athletes choose. All tournament entries and fees are the responsibility of players, and tournament entry fees are not included in club dues.

Here is a list of area tournaments:

- Badger Region Beach Qualifier @ Racine - June 29
- Badger Region Beach Champs @ Racine - Aug 10
- Waupaca Boatride Sand Juniors @ Oshkosh - July 14
- TBA

Dues

- CVA Beach Club Dues for 2018 are \$225. Dues include all 10 training dates (court rental, equipment, coach training fees)
- Players may register for individual training sessions for \$25/session.
- Tournament entry fees and travel, and USAV/ Badger Region membership are the responsibility of individual athletes and are additional.
