

I'm excited to announce our new Rewards program that brings today's technology into our fundraising efforts. We are now part of a network of thousands of organizations combining their buying power and passing the savings to their members. Think of it like *Costco* or *Sam's Club* for our organization. We can leverage the every day online spending of our network to raise money for our organization.

NEED YOUR HELP
Please share our program with friends and family to help us raise even more.

I'm asking for your help by signing up for our FREE Rewards Membership at:
