

## PARENT/GUARDIAN CODE OF CONDUCT

As the parent(s)/guardian(s) of a member of the St. Louis Powerhitters Volleyball Club (the "Club"), I (We) will conduct ourselves in a manner that will support the players and the Club.

1. I (We) understand that our child has paid to learn the skills and concepts of volleyball in an effective and respectful environment. I (We) understand that that playing time is not guaranteed, that not every player will play the same amount of time, that players will play any position assigned, and that such decisions are at the sole discretion of the coaching staff.
2. I (We) understand that our attendance and positive participation is an important aspect of our child's and the team's experience, and will make an effort to participate. I (We) will set a positive example of personal conduct by treating other players, parents, coaches, and officials with respect. In particular, I will cheer good play and avoid criticizing mistakes; will not use profanity; be patient and supportive when players, coaches or officials make errors; respect requests by Club coaches or other Club officials to discontinue conduct deemed unacceptable; depart the event if requested to do so by Club coaches or other Club officials; avoid making contact with players during a competition, and will do so through the coaching staff; refrain from the use of alcohol and tobacco in the presence of players, and will not condone the use or possession of illegal drugs. I (We) will be responsible for our child's and guest's conduct.
3. I (We) will be responsible for paying my child's Club fees, uniform expenses, and any other monies owed.
4. If (We) have a concern or question about our child's status with regard to the team, I (We) will request a meeting with the coach before or after a practice, but not during a competition. If the concern remains unresolved, then I (We) will contact the Club Director. If I (We) remove our child from a practice, tournament, clinic or other Club event without prior permission from the coach or Club Director, the Club will consider them to have resigned from the Club.
5. I (We) will be responsible for providing transportation to and from Club functions, and understand that coaches are not permitted to transport players except in an emergency.
