**COMPETITION FORMAT: RALLY SCORING WILL BE USED FOR ALL GAMES.**

**POOL PLAY:** Games are played to “25” points with a two point advantage. Cap Scoring with the first team to “27” declared the winner.

**QUARTER-FINAL AND SEMI-FINAL MATCHES:** Best two out of three games to “25” points with cap scoring to “27” points. Third game of the match will be played to “15” points with a two point advantage. Cap scoring with the first team to “17” declared the winner.

**THIRD PLACE MATCH:** One game to “25” points with a two point advantage and no scoring cap.

** Finals:** Best 2 out of 3 to “25” points with a two-point advantage with no scoring cap. The third game of the match will be played to “15” points with a two-point advantage with no scoring cap. In pool play, winners will be determined under the following format:
1. Won/Loss record (games played)
2. Head to Head competition (between teams tied)
3. Point ratio (points scored divided by points allowed for all games in pool play)
4. Coin toss.

**PLAY-OFF SEEDING** will be determined by the following:
1. Won/Loss record (games played)
2. Game ratio (games won divided by total games played)
3. Point ratio (points scored divided by points allowed for all games in pool play).
   If two teams oppose each other from the same pool in the first round (byes excluded), the lower seeded team of that particular pairing will be switched with the next lowest seeded team in the draw. If the team in question is the last seeded team, then the switch will be made with the seed directly above. The tournament director will make the final decision if there are any further complications.

**NOTE:** A pool winner is seeded higher than a second place finisher from another pool even if the second place team has a better game record.
