B. President – Al Bistodeau

- Ice time – Is the school district purchasing the same number of ice hours for the Rogers/Zimmerman High School hockey teams as they are for the Elk River High School hockey teams (spending the same dollar amount)? **Shelley will contact the Finance person at the school district for further information.**

C. Fundraising – Jennifer Brey

- **Jennifer will investigate another possible fundraising opportunity.** The idea is similar to the "Script" program at local churches where individuals can purchase gift certificates to be used at participating businesses and then a portion of the sale would go directly to the Face Off Booster Club.

D. Girls' Director – Kristin Scott

- Booster Club fees missing from 4-5 families.
- Kristin turned in money for girls' warm-up suits and booster club fees to the Treasurer.
- Kristin submitted various receipts to the Treasurer for parents' night expenses.

E. Boys' Director – Joni Spratt

- Booster Club fees missing from 7 families.
- Volunteer sign-up went well this year. Those who didn't sign up initially, were assigned jobs so that all open spots will be covered.
- Joni turned in booster club fees received to date to the Treasurer.
- Spotlight for parents' night – cost is \$65. May be able to use some of the money allocated to the Parent Night budget to cover this cost.

F. Other

- **Shelley will send an email to the Boys team parents that haven't paid their Booster Club fees. The email will address specific items that this money covers and will stress how important it is for all members to contribute their fair share.**

- **Shelley will send a follow-up email to the Girls team parents encouraging those who haven't already submitted their Booster club fees, to do so.**
- Additional fundraising ideas discussed.
- Need to work on getting Corporate Sponsors. Cheryl McCallum has started to solicit a few sponsors.
- Blue Line club memberships need to be offered to alumni – **Kristin will compile a list of past years Rogers/Zimmerman boys and girls names and addresses. Shelley will draft a letter to be sent to this group.**
- A Blue Line member hockey game should be set up over Christmas break when alumni are around – **Al will organize this over the summer and put into place for the 2008-2009 season.**
