

West Covina Youth Soccer League

October 13, 2014 - Fall 2014 Edition - Issue #4

West Covina Youth Soccer League has a tradition that every season when new teams are formed they take pride in creating their team banner. It usually is designed by the coaches and team mom and the kids are always excited to see the banner for the first time during their first game. This is a way that the team can show their originality and also make their presence be known on the soccer fields. It is exciting to see every team displaying with pride their banners as they play the opposing team. Once the season is over most of the teams give each child the piece of banner that has their name so that they can have as a keepsake. Next time when you arrive to the soccer fields make sure to look at the awesome banners that the teams have on display.

Coach's Corner

MOTIVATION—Soccer can be viewed as kids kicking a ball across the field, or it can be viewed as an opportunity for growth. The true test lies in sparking a child's interest to learn and grow and keeping that spark alive each season.
