

Jason Morran Memorial Hockey Tournament

January 9 – 11, 2015
Flin Flon, Manitoba
Whitney Forum – Creighton Sportex

Dear Coaches/Managers

Thanks for attending the Jason Morran Memorial Atom Tournament in Flin Flon, Manitoba. We as the tournament organizing committee would like to extend a sincere welcome to all of the players, coaching staff, and families who have come to play in our tournament. We have spent a lot of time planning for this weekend, and hope that we will host an event you will enjoy and remember for years to come.

We are proud of our facilities; there is a lot of history in the building. Take some time to look around at the pictures and banners representing the long history of hockey in our communities. With that said it is an aging building and would request that you ask your players not to shoot any pucks or play with balls while in the arenas. The track at the Whitney is available for pre game stretching and warm-ups, feel free to use them.

There is a first aid kit and defibrillators available and are clearly marked. A member of the tournament committee will always be available in Tournament Headquarters.

All scores and standings will be recorded outside the Tournament Headquarters and available online at www.flinflonminorhockey.com under the Atom Tournament link.

Tournament rules have been posted on the website, in addition to a copy in this welcome package. The Tournament Committee reserves the right to render final decisions regarding rule protest and objections, and any other matter that may arise.

Enclosed in the coaches packages are the tournament rules, schedule, program, goals for and against chart and various items from our community.

Please have all players ready 15 minutes before the scheduled game time to ensure that this tournament runs smoothly.

Also this weekend the Flin Flon Bombers are hosting the Notre Dame Hounds at the Whitney Forum at 7:30. The Bombers are in the middle of a tight playoff race and have a team that can potentially make a run for a championship this season.

Thanks and have a fun hockey filled weekend.

Jason Morran Memorial Atom Tournament Organizing Committee
