

# Scout Skate

Do you belong to a scout troop/pack?

Would you like to come ice skating?

You can come skating with your troop/pack at any of our scheduled public sessions for \$5.00. This price includes skate rental. Must have a minimum of 7 skaters, and must pre-register with the KCIC staff to get the discounted price.

If you want a skating instructor to help with your troop/pack for the first 30 minutes to help show the proper way to tie skates, talk about safety tips, and to help those who might have a little trouble getting started, we can schedule an professional skating coach for the cost of \$40.
