Committee Reports:

Rebranding/Fundraising:

Justin and Craig report that our College Town apparel store will be launching our sale (hopefully in the next weeks). It will last for 3 weeks. A link will be up on our website to College Town. It should be up in a week. It has taken longer than expected to launch our spirit wear store. Craig and Justin were told it was because of licensing issues with brands (Under Armour).

Concessions: This past weekend, there was only 1 person for the JV game and 2 for the Varsity. There needs to be communication going out more frequently when shifts need to be filled until they are filled.

Recruiting: Report given.

Coaches/Goalies: Steve Simpson – Coaches Committee met last night. As far as coaches, everything is fine. Steve talked about coming up with some mid season evaluations for coaches to give their players, it would start out with what they are doing well and end with a few things they could work on. Steve would like to make a book for coaches that contain drill ideas in it. He would like to have it in place in a year.

Jay Jurrens came to a practice at here last week and brought two of the capitols players along. Jamie Smith asked if we should have a contact person from our organization to schedule some of the Capitols players to attend our practices. They are frequent visitors at other local organization (she gets their weekly schedule for the 2 players living with them). Scott Mirwald said he would welcome any of their players at Bantam practice anytime.

Webmaster: Everything is going fine except for a few glitches, but those are getting worked out. Kari reminded everyone to submit pictures for VVYHA Facebook page.

ALD Reports:

LTP – Bill Snow – still at 51 kids signed up.

U6 – Jason Mattila – gave report.

RWB – Bill Monroe - gave report.

President's Report – Janie Ritter – Reminder that Skate with the Wildcats is Friday night Dec 19. Janie just asks for ALD's to share the info with their teams.

WAHA will be having the seeding meeting for the Region 4 play downs on Jan 7th at MIA. ALD's should make sure that the head coaches go. Janie and Jamie attended the Region 4 meeting and she gave an update on zoning for our association, Mount Horeb and Dodgeville.

Registrar's Report – Working on getting all the rosters submitted and corrected.

Ice Scheduler's Report – Mike Tollefson – all practices set. Little or no sheets of ice are currently available.

Region 4, WAHA & USA Hockey Updates – Janie attended the meeting they talked about deadlines to for association. Officials are down about 30% in the state. It might affect play off games when and where they are. There still has not been a decision about Dodgeville. They are going to meet again Feb 14th to try to come up with an agreement about the boundary issues.

New Business:

Double Rostering – **Need to add if there were any motions.**
