Registrar – Everything going well

- 162 players
- 115 families

Scheduling – SDAHA is 99% set

Concessions – With more Blades games this season, the concern is that we may be short on help. Proposed and passed that 1/3 of all points must be served in concessions. Eg. 5 or 10 for multiple skaters. Exception is given to rostered coaches.

Sioux City Goalies – Due to health concerns, the Bantam B team is a bit strapped in the goalie department. Conversation has been had with the Sioux City Association. They currently have 4 goalies with only 2 seeing real game playing time. The other 2 are willing to work the Bantam team. Discussion was had that with Sioux City's program shedding players to maintain one team, that we

should be communicating with them to play and fill our benches.

Received a letter from a concerned parent regarding the late practice and its effect on health and school work/grades. We discussed, threw up our hands and advised parent to contact Jamie Van Ravenswaay from the Sioux Center City Council and Rec and Arts Department.

Meeting adjourned.
