

## **Parents Code of Conduct**

I will be responsible to ensure my child attends all team events on-time as scheduled.

I will make sure that one of my child's coaches is informed as to if my child will be late or unable to attend practices or games.

I will ask my child to treat other players, coaches, officials and spectators with respect regardless of race, sex, creed or ability.

I will provide support for all coaches and officials working with my child to provide a positive and enjoyable experience for all.

I will place the emotional and physical well-being of my child ahead of any personal desire to win.

I will insist that my child play in a safe and healthy environment.

I will remember that the game is for the youth and not for adults.

I will do my very best to make youth sports fun for my child.

I will not interrupt the players, coaches or officials until after the game unless there is a safety issue or concern.

I will accept that coaching is a difficult volunteered position, and I may not always agree with the coaches' decisions.

I agree we are always teaching our children how to handle situations. Adults should be able to work through any issues in a respectful manner and quitting should only be an option in extreme cases.

I acknowledge that we are all emotional individuals, and upon request, any conversation that becomes overly emotional is subject to a 24-hour "cooling-off" period prior to restarting the conversation.

I will demand a drug, alcohol and tobacco-free sports environment for my child, and agree to assist by refraining from use of these items at all youth sporting events.

I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice or other youth sporting events. Please note: Coaches and officials, as representatives of the league, have the authority to eject anyone whose conduct is in direct conflict of good sportsmanship. This includes but is not limited to players, coaches and spectators.
