Summerhawks

The club is proud to be fielding 9 teams with over 150 players! In addition to about 100 returning Blackhawks, we have several dozen players joining us from other Bay Area clubs. This is our largest spring hockey turnout ever! Spring hockey is a great time to build on fundamental skating and hockey skills. All teams will head to Southern California for various Memorial Day tournaments. Go Hawks!

Community Corner

Close to 40 Blackhawks players, parents and coaches volunteered for a fun and memorable event on April 11, 2015. Jessica Lee, Blackhawk parent and Peer Coordinator with the Child Advocates of Silicon Valley coordinated an ice skating session for foster youths and their adult Child Advocates. The Blackhawks donated the ice time and, from one non-profit to another, our Blackhawks community helped beginners with their skates and out on the ice. Thanks to those who volunteered their time and skills, and for Sharks Ice San Jose for donating skate rental!
