

West Covina Youth Soccer League

April 27, 2015- Spring 2015 Edition- Issue #3
Picture Day

Every season the league schedules a day for all of the players, coaches and team moms to come out to the fields and get their pictures taken. It is a day that takes a lot of planning and orchestrating in order for it to run smoothly. We had 900 players come out to take their individual pictures and 77 teams to take their group photo. Unfortunately there are certain situations that the BOD cannot control. This season not only did we have to brave cold temperatures, but also the rain. We want to thank the coaches, parents and players for cooperating with us and making this picture day a success.

Coach's Corner

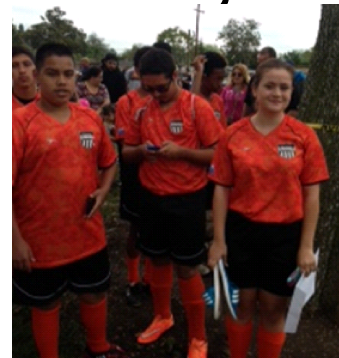

- ❖ **Remember-** To always check the field to make sure that it is safe to train and play games on. Make sure to walk around and check all areas of the field and make sure that the goals are properly secured and that there are no holes in the nets. The environment that my players train in must be safe.

IMPORTANT INFORMATION

- **Keep our soccer fields clean** by PICKING UP YOUR OWN TRASH AT PRACTICES AND GAMES.

IMPORTANT INFORMATION

The BOD would like to keep on emphasizing that the school parking lot is not to be used. Please park outside on the street. Coaches and parents please remember that dogs/pets are not allowed on the school premises, no skateboards or basketballs. These rules apply to all fields. Also at Merced please only enter through the side gate and not the front/main entrance. If these rules are not followed we run the risk of losing the permits and no longer have a place to have the games.

Galaxy tickets can be picked up the first week of June. More information to come.

Raffle tickets can be picked up from 10-12 at Wescove. You may also drop off the tickets at the Wescove snack bar the next few weeks until the morning of the raffle.
