

The Marlys Larson Award was established in 2000 recognizing her as Chair of the first World Synchronized Team Skating Championship. It is given to the synchronized skating team with the highest placement at a qualifying competition.

James Disbrow and Bette Snuggerud Award were established in 1998 in honor of the co-chair for the 1998 World figure Skating Championships. These awards go to the highest level male skater and senior lady with the best combined placement at Minnesota State and academic record for the past school year.
