

U5 through U10 Division IV Soccer participants receive a uniform Jersey. In order for Town & Country Soccer to successfully order your child's uniform you must indicate the correct size. Failure to select the correct size may result in additional charges to replace the uniform.

Soccer uniforms tend to run snug, and Division IV children are often growing at a noticeable rate. Therefore, if your child is on the border between two sizes, we recommend you choose the larger of them.

Below is the official size chart from the uniform manufacturer to guide you in your selection. Note that your child's shirt size might not be a perfect indicator of their uniform size. Please use this chart to carefully determine your child's correct uniform size, and verify you communicate the correct size when ordering.
