June 1, 2018

Fort Mill High School athletics is about more than putting teams on the field. Our programs teach young men and women how to compete, help develop good character, and teach other skills that will carry them through their lives. The FHMS Athletic Booster Club supports 35 teams and helps over 750 student athletes pursue their goals of winning local, regional, and state championships. The Booster Club enjoys watching these wonderful young athletes grow into amazing adults who continue their competitive spirit at the college level. We invite you to support our student athletes by becoming a Club Level Donor or an All Sports Program participant.

By pledging to be part of our annual sports program, you will benefit from valuable exposure to thousands of students, teachers, alumni, parents, administrators, and area sports fans at over 300 hosted sporting events throughout the year. Your generosity will help ensure that FMHS athletics will remain successful and be able to meet the demands of this fast-growing district. Without your generous tax deductible donation, the Booster Club, a 501(c)(3) organization, could not provide teams with uniforms, equipment, tournament fees, and other essential items.

Please consider this opportunity and refer to the included All Sports Program information sheet for complete details on our advertising options. Please return the enclosed form with your camera-ready ad and check payable to FMHS ABC by Aug. 3, 2018. We look forward to your support and feel free to call me with any questions you may have!

Sincerely,

Dewey Rhinehart, Programs Director
FMHS Athletic Booster Club
