# **Tennis Manager's Guide**

## **Tournament Management**

The host school must designate a tournament manager who will be responsible for the administration of the tournament. The tournament manager must also determine who the rules officials will be at the tournament site. The rules official is responsible for administering the rules of tennis.

## **Communication**

It is recommended that **four** weeks before the beginning of the tournament, the host school must send an information packet to each school. The packet should provide information on all contacts, List of Participants Form, fees, court availability for practice, spectator areas, deadlines for entry, food service, directions, starting times, local rules, responsibility of players and coaches, who to call with any questions.

## **Coaches Meeting**

It is customary to have a coaches meeting before the start of the tournament. This meeting can be held the night before or the day of, depending on what is the most convenient time for all coaches to attend. It is beneficial to have all of the key tournament personnel available to address the group concerning court information, schedule, playing rules, etc.

## **Corporate Sponsors - Tennis Ball**

Wilson is the official ball and tennis supplier of the Montana High School Association. The Wilson US Open ball is the ball used for all MHSA state tennis meets. The MHSA recommends the use of this ball for all regular and other post season events.

## **Court Monitors**

Tournaments may have a need for court monitors. Court monitors should follow the following guidelines:

- The duties are to provide decisions related only to the remedy asked for by the players involved.
- As a linesman only overrule a call when requested to do so.
- If requested to monitor foot faults or net violations, you will make the call immediately, as a delayed call will impede the progress of the game.
- Introduce yourself to both players. Remember your purpose is to ease any tensions, not increase them.

Court monitors can be called at any time. They should be familiar with the site rules and especially with the job description given for court monitors. The tournament manager should provide the court monitor with any necessary site rules. Any problems not addressed should be referred to the head official at the site and ultimately to the tournament manager.

## **Fund Raising**

The soliciting of voluntary contributions is prohibited at any Association contest. Unless approved by the MHSA Executive Board, raffles (or similar fund raising activities) are prohibited at playoffs, championship games, tournaments, meets, and/or festivals that are under the direct supervision of the MHSA Executive Board. Fifty/fifty tickets are considered a form of raffle type fund raising and are therefore prohibited.

Corporate sponsorship of any post season event is the responsibility of the MHSA Executive Board and requires Board approval. Exceptions are:

a) Program advertisements and

b) Signage or announcements acknowledging the receipt of donated goods including food or beverages for the hospitality room, the use of tents at outdoor events, or the use of other equipment necessary for staging the event. Signage should be placed only in the appropriate areas; i.e. on the tents or in the hospitality room/area.

Established facility sponsorships are not affected provided that MHSAs corporate sponsorship requirements are met.

### **Drug and Alcohol Policies**

As tournament managers you should inform all school administrators of the attending schools of the MHSAs Drug and Alcohol Policy, which states:

The MHSAs prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

### **List of Participants**

The tournament manager should send each school in their class or division a "List of Participants" form for entry into the post season tournament. This form should have a specific deadline to be returned to the tournament manager. The form is included with this procedure manual and can be found on the tennis page of the MHSAs website. Here is the procedure per class:

- Class AA, A and B/C (Girls only) - Participating schools should send the form directly to the divisional tournament managers, and then divisional managers will forward their results to the state tournament site.
- Class B/C Boys – Participating schools should send the form directly to the state tournament manager – no divisional tournaments.

Before a substitute can be used in any post season tournament, he/she must be approved by the MHSAs office.

### **Media Policy**

- Policies for Videotaping, Cybercasting, Telecasting and Photography of MHSAs events are outlined on pages 50-53 of the MHSAs Handbook.
- Photographs can be taken for personal use only.
- Legitimate media members may register for post season credentials at [www.mhsa.org](http://www.mhsa.org) on the Media Resources page.

### **Seeding**

For the divisional tournaments, tournament managers should use the guidelines established in the Divisional Seeding section of this manual, along with any other conference policies they may have. For the state tournaments, official pairings for the State Tennis Meets will be released by the MHSAs office after the divisional tournaments are completed.

### **Starting Times**

Starting times for divisional or state play will be made by the local manager.

### **Trophies and Awards**

All awards are shipped directly to the host school from Universal Awards out of Billings by UPS. The Montana High School Association will pay for these trophies and awards. They should arrive one week prior to the tournament. It is likely that some awards will be in more than one box. Open all the awards and check them over the same day they arrive. If you have not received the correct awards or the awards are not in good condition, please call the MHSAs and ask to speak to Brian Michelotti.

For more information about the awards to be presented and the process for award presentations, see the Trophies and Awards Information Sheet

## **Weather**

### **A. Guideline on handling contests during lighting disturbances.**

The purpose of these guidelines is to provide a default policy to those responsible for making decisions concerning the suspension and restarting of contests based on the presence of lightning. The preferred sources from which to request such a policy for your facility would include your state high school association and the nearest office of the National Weather Service. - Proactive Planning

1. Assign staff to monitor local weather conditions before and during events.
2. There is a new lightning policy that has been adopted by many sports medicine groups and governing bodies. The major change is that if ANY thunder is heard OR a cloud-to-ground lightning bolt is seen, play should be suspended, stands should be cleared, and all should seek shelter. Previously, the recommendation suggested that if there was at least a count of 30 seconds between the thunder and the lightning then the storm is far enough away to not be of concern. This is no longer considered appropriate or accurate. The consensus is there is no thunder without lightning and vice versa, so if one or the other is noted, both are there Thirty-minute rule. Once play has been suspended, wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming play.
3. Develop an evacuation plan, including identification of appropriate nearby shelters.
4. Hold periodic reviews for appropriate personnel.

### **B. Rain Delays**

For any extended rain delays, Mark Beckman, Executive Director of the MHSAA, must approve rescheduling of tournament play to other dates – including the authorization to play on Sunday.

### **C. Heat Related Issues**

The following guidelines should be instituted by meet management in the following order to ensure the safety of the athletes should heat and heat related issues become a factor.

- Time extension on change overs.
- Official / Meet manager may institute periodic timeouts during the match after game points length of timeouts will be dependent upon weather circumstances.
- The meet director in consultation with medical personnel will determine the continuation of tennis outside in excessive heat. Matches could be shortened at the conclusion of a round

## **Vendors**

Vendors of any other kind of good or service (besides normal concessions) must have written approval from the Executive Director of the MHSAA.

**Website MHSAA Updates** - Please send in the final results to Brian Michelotti at the MHSAA after the completion of the tournament, so we can post this on our internet site. Brian's cell phone number is 406-465-0556 and his e-mail is [bmichelotti@mhsaa.org](mailto:bmichelotti@mhsaa.org).

## **III - Playing Rules for MHSA Tennis Applies to all Post Season Play**

USTA playing rules will be used for all competition in addition to any local rules or MHSA rules and regulations. The host manager or their designee will be the sole judge on rule interpretations. The site director serves as the umpire at each site, unless an official rules umpire is present. Situations brought to the judge will not include team or individual names so the ruling can be as objective as possible.

### **Competitors' conduct**

- All tennis players in MHSA sanctioned tournaments shall be penalized one team point (on the first infraction) and removed from further play (on second infraction) for any unsportsmanlike conduct on site after a match or before the next match or at the end the tournament. During the match, players are under the Tennis Code of Conduct / point penalty system of the USTA. Any coach, who personally observes misconduct may invoke the point penalties, provided they report their action to the tournament manager/site director.
- Each tennis court should have a site director and that director should be in charge of administering the penalty system above for violation/abuse of any equipment or facilities, abusive language, abusive gestures, and other obnoxious, offensive behavior.
- Unsportsmanlike conduct on the tournament site includes, but is not limited to, the following examples: throwing rackets or any equipment, swearing, intentionally hitting game balls out of the court, being abusive to tournament officials, and fighting.

**Coaching Information** - the MHSA has instituted this best practice in relationship to coaching rules in all classifications of MHSA tennis:

- Eligible member school tennis coaches are permitted to talk with their player(s):
  - At 90 second change overs, except following the first game of a set. During shortened sets, coaches will be allowed to coach after the first game when the score is 3-2.
  - At 120 second change set break (end of set)
  - At split sets 10 minute rest period when playing regular 3rd set or 120 seconds with match tiebreaker

NOTE: Coaches may **not** coach players during a bathroom break or a medical timeout (during a medical timeout, coaches can treat players for an injury, just not use this as a coaching opportunity) (per USTA rules)
- Locations where coaching can occur:
  - Outside Courts – coaching will be at the fence, not on the court. The tournament manager may also determine other coaching locations, based on the facility setup.
  - Inside Courts – Tournament managers will determine the coaching locations
- Who can coach - to be an approved coach, an individual must:
  - Be approved by their local school district administration.
  - Have passed the MHSA Coaches Education Program.
  - Have been a bona fide member of the coaching staff during the season.
  - Have proper identification
- Coaches are expected to help with the crowd control at the sites.

**Decisions** - The decision must be made on each play. There is no replay of a point except in the case of a let. Only coaches and players can ask the site director to put a judge on the court to make calls if a problem arises.

**Feathers worn in the hair** - Below is how we are will interpret feathers, tinsel or beads that are worn in the hair. We will treat this type of hair device very similar to the NFHS Volleyball Rules. Under NFHS Volleyball Rule 4-1-5 "hair devices made of soft material and no more than 2 inches wide may be worn."

- The rule does not specify the device must be used for hair control
- The feather or tinsel cannot be wider than 2 inches. Length is not addressed in the rule. Most of these will not exceed a width of 2 inches.

- Items that fall within the rule would have to be considered in context with the rules
- If an item presents a problem falling out assess USTA Rules
- If the item is inappropriate by sportsmanship standards prohibit the item from being worn
- Hard and unyielding items being worn are prohibited
- If an item presents a problem falling out (beads), USTA rules will be followed.

**Hair Control Devices** - Hair devices made of soft material or unadorned hair devices, such as bobby pins, barrettes, or hair clips, no longer than 2 inches, may be worn to control a player's hair. Hair adornments made of soft material and no more than two inches wide may be worn.

**Inclement Weather Format – Inside** - See Rules for Divisional and State Sections for Inclement Weather Formats

**Jewelry Policy** - No jewelry, which includes visible body piercing objects, shall be worn in any sport. Any piece of jewelry that is visible at the start of or during a contest is in violation of the MHSA Jewelry Policy. Religious medals must be taped to the body and under the uniform. Medical medals must be taped to the body so they are visible.

If a competitor is observed wearing jewelry during competition the competitor, without delaying competition, shall remove the jewelry before any further competition. If it can't be removed, the competitor will not be allowed to compete until he/she is legally equipped. The tournament manager shall record the name of the competitor, school, event, time the violation occurred and description of prohibited item. The tournament manager shall then notify the head coach of the offending school of the violation. The tournament manager will keep track of the competitor, school, gender and time of day the time warning was given. Any further violations of wearing jewelry by that member of the team shall result in disqualification of the competitor from the event. The tournament manager may exercise some discretion when a new violation is reported within minutes of the team warning being issued.

The protocol for communication of a violation will be established by the tournament manager before the tournament begins.

**Match Tiebreaker** - Match Tiebreakers are sometimes played in lieu of a third set (See Indoor Format below). They follow the same rules and service rotations as the Set 7-Point Tiebreaker, except the winner is the first to score 10 points by a margin of 2.

**Match Warm-ups** - Outside and inside warm-up time will be 10 minutes. This warm up will be timed and this time includes serving and net play. Tournament managers may shorten the warm-up to 5 minutes for special situations.

**Medical Information and Medical Timeouts**

- In the event of injury, the player must be able to play within 15 minutes or the opponent may win by default.
- The time starts when trainer or coach arrives at site.
- A maximum of 5 minutes for both the diagnosis and treatment, treatment will not exceed 3 minutes
- Bleeding timeout – treatment time ends when bleeding has stopped and playing area has been cleaned. Maximum amount of treatment time is 15 minutes for bleeding.

**Nets** - All tennis nets must be regulation height. Competitors are prohibited from changing the nets.

### **Normal Format - Outside**

- Best of 3 sets and regular scoring will be used
- USTA Set (7 point) tiebreaker will be used – See Tie Breaker Sheet (1st to 7 points by 2 point margin)
- 10 minutes rest will be allowed if split sets
- There should be 2 tennis balls per match
- If indoor courts are being used as part of the regular scheduled play (not because of weather issues), scoring will be the same as the outdoor format.

**Rest Time Between Matches** - USTA rules state there is a minimum of 60 minutes rest between singles matches and a minimum of 30 minutes rest for doubles matches if competitors are playing full matches (including any matches using a match tiebreak for the 3rd set). In the case of shortened matches, (pro-sets or 4 game sets), the minimum rest time for both singles and doubles is 30 minutes. Exceptions may be made at the discretion of the site tournament director and the

For consistency, the MHSA recommends a minimum of 30 minutes rest for all matches.

**Set Tie Breaker** - The MHSA Method of Breaking Ties (USTA Set (7-point) Tie Breaker) will be used throughout the tournament, except for the tiebreaker mentioned in the Inclement weather format section.

**Scoring Devices** - If possible, scoring devices should be available to keep score at each court. Please inform players to use them.

**Uniforms for Competitors:** Per MHSA Tennis Rules, Section I, General Rules and Regulations, item 2, which can be found under the MHSA Uniform/Dress Codes rules in this manual or in the MHSA Handbook

### **Class Specific Rules –**

During competition at all AA divisional tournaments players shall be limited to three full matches or five abbreviated matches per day.

During competition at all Class A divisional tournaments players shall be limited to four full matches per day. There is no match limit per day for shortened matches.

During competition at all Class B/C Divisional Tennis Meets, players will be limited to 3 full matches per day unless players have played less than 6 hours, then 4 matches would be allowed. There is no match limit per day for shortened matches.

## **IV – RULES FOR DIVISIONAL TOURNAMENTS**

### **Competition Format – Normal Conditions**

See Section III of this manual - Playing Rules for MHSА Tennis - Normal Format – Outside

### **Competition Format - Inclement Weather Format**

Option 1 - Best of 3 sets. Sets 1 & 2 regular but each set will be shortened by starting at 2 games each. Set 3 - 10 point match tiebreaker - first to 10 points but win by 2. A 120 second set break, if split sets. Once a round has started, the scoring format will be the same whether the round is finished inside or outside. The decision of which format to use for shortened matches will be decided by the tournament manager in consultation with the MHSА

### **Divisional Manager**

Each division is responsible for selecting a site and manager for its divisional tournament. In case of foul weather the tournament will be held on the Monday following the regular scheduled time of the divisional meet, with the approval of the MHSА Executive Director.

### **Divisional Scoring**

- Scoring in Class AA divisional tournaments will be: 1st-7 points; 2nd-5 points; 3rd-3 points; 4th-1 point.

- A. Girls' singles: The additional contestant each year to fill a 32 place bracket will be rotated among the six divisions.
- B. Girls' doubles: The six divisions will rotate one less doubles team than the number of teams in the division to fill a 24 team bracket. (State tournament managers may use a 32 team bracket although only 24 teams qualify.)
- C. Boys' singles and doubles: all competitors qualify.

## **VI - MHSAA Uniform / Dress Code Rule**

Participants will wear the following school-approved attire (uniform to include top and bottom garments): shirts will be full-length with finished edges with collars, traditional crewneck, v-neck or mock-turtle neck design. Sleeveless shirts must extend from the base of the neck to the top of the shoulder on each side. Halter tops, spaghetti straps and tank tops will not be permitted. Shorts and skirts will be worn at the waist with a minimum five-inch inseam. All skorts (a pair of compression shorts having a flap or panel across the front and back to resemble a skirt) are legal bottom garments. The skort must be appropriately sized for the individual, worn as the manufacturer intended, and the flap or panel must be long enough to cover the compression shorts. If a player chooses to wear long pants or an exposed undergarment due to weather conditions, they must be black, white, gray or a solid school color.

One piece tennis dresses are legal as long as they meet all requirements of the MHSAA tennis uniform upper and lower garments. The upper portion of the tennis dress will be full-length with finished edges with collars, traditional crewneck, v-neck or mock-turtle neck design. It must extend from the base of the neck to the top of the shoulder on each side. Halter tops, spaghetti straps and tank tops will not be permitted. The lower portion of the tennis dress must be appropriately sized for the individual, worn as the manufacturer intended, and the length of the dress must be long enough to cover the compression shorts.

Adornments on clothing or headwear will not advertise drugs or alcohol or contain offensive material as deemed inappropriate by the meet director or tournament manager. After the first violation of this rule, there will be a warning administered for the individual and the team with the uniform violation being corrected within five minutes before continuation of play is to resume. After the second violation, the individual forfeits the match and the team is deducted one (1) team point.

The meet director has the right to waive the uniform rule due to inclement weather; however, each participant must be dressed appropriately during all competition.

# VII - Basic Tennis Etiquette and Procedures for Players During Matches

## Making Calls

1. A player makes calls on his/her side of the net - promptly.
2. A ball landing on the line is good.
3. Opponents get the benefit of the doubt.
4. If a ball can't be called out with certainty, it is good.
5. The call of a player looking down a line is much more likely to be accurate than that of a player looking across a line. When you are looking across a line, don't call a ball out unless you can clearly see part of the court between where the ball hits and the line. It is difficult for a player who stands on one baseline to question a call on a ball that landed near the other baseline.
6. Partner's disagree on calls. If a player and his/her partner disagree about whether the ball was out, they shall call it good.
7. Audible or visible calls. No matter how obvious it is to a player that his/her opponent's ball is out, the opponent is entitled to prompt audible or visible call.
8. Spectators are never to make calls.
9. Lets should be called when balls roll on the court. The server receives 2 serves.

## Serving

1. Servers must call out the game score, **loud and clear**, each time a point is earned.
2. Foot Faults - A player may warn his/her opponent that the opponent has committed a flagrant foot fault. If the foot faulting continues, the player may attempt to locate the site director.
3. Service calls in doubles - The receiver's partner should call the service line, and the receiver should call the sideline and the center service line. Either partner may call a ball that he/she clearly sees.
4. Service calls by the serving team - Neither the server nor his/her partner shall make a fault call on the first service even if they think it is out because the receiver may be giving the server the benefit of the doubt.
5. Receiver readiness - The receiver should make no effort to return a serve when he/she is not ready. If a player attempts to return a serve, it is presumed that he/she is ready.
6. Delays during service - When there is a delay between the first and second serves:
  - The server gets one serve if he/she was the cause of the delay.
  - The server gets two serves if the delay was caused by the receiver or if there was outside interference.
7. Service let calls. Any player can call a service let.
8. Players are not allowed to stand in the receiving court during service. Additionally, a receiver's partner shall not:
  - Move in or around the receiving box, causing a distraction
  - Wave equipment in and out of the receiving box, causing a distraction
9. Rectifying mistakes - The general rule is that errors are rectified as soon as they are discovered but not during play, and points remain.
  - If a server serves from the wrong court, the point stands and he/she serves the next point from the proper court.
  - If in doubles, the wrong person serves, the game stands and his/her partner serves the next game from his/her side. If discovered during the game, the partner whose turn it is to serve, takes over.
10. Discarding a second ball - The server's discarding of a second ball may constitute a deliberate hindrance. If the receiver asks the server to stop discarding the ball, then the server shall stop the practice.

## Grunting

1. A player should avoid grunting and making other loud noises. Grunting and other loud noises may bother not only opponents but also players on adjacent court.

## Line Judges

1. If line judges are placed on the court, the players continue to call their own lines. Line judges over-rule only if players ask for help.

**\*There may be one warning prior to the first offense per competitor for minor unsportsmanlike acts. The tournament manager will announce this procedure during his pretournament meeting. Penalties carry over throughout a tournament.**

NOTE: The tournament manager/site director and eligible coach may invoke point penalties in matches where there is no umpire, provided they personally observe the misconduct. In addition, it is the responsibility of all coaches of participating schools to monitor player conduct. Any coach, tournament manager, or site director who personally observes misconduct may invoke the point penalties, provided they report their action to the tournament manager/site director.

MHSA Rules - All tennis players in MHSA sanctioned tournaments shall be penalized one team point (on the first infraction) and removed from further play (on second infraction) for any unsportsmanlike conduct on site after a match or before the next match or at the end the tournament. During the match, players are under the Tennis Code of Conduct / point penalty system of the USTA.

In accordance with MHSA By-Laws, any player or coach ejected (not disqualified) from a match will be ineligible for the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim.

# IX - MHSAA Method of Breaking Ties USTA Set (7-point) Tie Breaker

(For all Divisional and State matches)

## 7 out of 12 Points

At six all in games, the player whose turn it is to serve shall put the ball into play for the first point of any tiebreaker.

**SINGLES:** Player A serves Point 1, right court; Player B serves Points 2 and 3, left court and right court; A serves Points 4 and 5 (L and R); B serves Point 6 (L) and, after players then CHANGE SIDES, Point 7 (R); A serves Points 8 and 9 (L and R); B serves Points 10 and 11 (L and R); A serves Point 12 (L). If either player wins 7 points, by a margin of two points, the set shall be recorded as 7 games to 6.

If the score reaches 6 points all, the players then CHANGE SIDES, and players shall continue to serve as before until one player establishes a margin of 2 points. Player A serves Point 13, right court; Player B serves Points 14 and 15, left court and right court; A serves Points 16 and 17 (L and R); B serves Point 18 (L). If the score is still tied, the players then CHANGE SIDES every 6 points and repeat this procedure.

1. The players shall "change sides for one game" after a tiebreak.
2. Player B shall serve first in the set following the playing of the tiebreak, thus assuring that she will be first server if this set also goes into a tiebreak.
3. Players shall change sides during the tiebreak without rest.
4. The tiebreak counts as one game in reckoning ball changes. If a ball change was called for (on) the tiebreak game, new balls shall be used.

**Points**

|                 |   |   |   |   |   |   |   |   |   |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |
|-----------------|---|---|---|---|---|---|---|---|---|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|

| <b>Player A</b> | R |   |   | L | R |   |   | L | R |    |    | L  | R  |    |    | L  | R  |    |    | L  | R  |    |    | L  |
| <b>Player B</b> |   | L | R |   |   | L | R |   |   | L  | R  |    |    | L  | R  |    |    | L  | R  |    |    | L  | R  |    |

**DOUBLES:** (A and B) versus (C and D). Assume that Player D has served the 12th game. Same procedure as in singles will apply. Players preserve the sequence of their serving turns. Player A serves Point 1, right court; Player C serves Points 2 and 3, left court and right court; B serves Points 4 and 5 (L and R); D serves Point 6 (L) and, after teams then CHANGE SIDES, Point 7 (R); A serves Points 8 and 9 (L and R); C serves Points 10 and 11 (L and R); B serves Point 12 (L). If either team wins 7 points, by a margin of two points, the set shall be recorded as 7 games to 6.

If the score reaches 6 points all, teams then CHANGE SIDES, and players shall continue to serve as before until one team establishes a margin of 2 points. Player B serves Point 13, right court; Player D serves Points 14 and 15, left court and right court; A serves Points 16 and 17 (L and R); C serves Point 18 (L). If the score is still tied, the teams then CHANGE SIDES every 6 points and repeat this procedure with the continuing sequence of service.

Teams shall "change sides for one game" after a tiebreak with team (C and D) to serve first.

**"No-Ad" Scoring**

A player need win only four points to win a game. If the score goes to three points all (or deuce), the next point decides the game - it is game point for both players. The receiver has the right to choose to which court the service is to be delivered on the seventh point. If a "No-Ad" set reaches 6 games all, the tiebreaker system shall be used.

**Match Tiebreakers**

Additional Note: Match Tiebreakers are sometimes played in lieu of a third set. They follow the same rules and service rotations as the Set 7-Point Tiebreaker, except the winner is the first to score 10 points by a margin of 2.

## **X - Trophies and Awards Information Sheet**

All awards are shipped directly to the host school from Universal Awards out of Billings by UPS. The Montana High School Association will pay for these trophies and awards. They should arrive one week prior to the tournament. It is likely that some awards will be in more than one box. Open all the awards and check them over the same day they arrive.
