

## 2015-2016 MHSAA Track and Field Instructions for Using Athletic.net

For the current season, Athletic.net is the designated website for posting results of qualifying meets. Qualifying standards are utilized for Classes AA, A and B. The MHSAA Handbook requires that:

***A master list of qualifying times/marks will be updated regularly throughout the season and posted on the online stats program designated by the MHSAA. The meet's host school or the school's head track and field coach must submit/enter qualifying performances within two full business days of the mark being set. Submissions must be completed using the MHSAA-designated online stats program. Late submissions are not allowed and will not be used for qualifying/seeding purposes.***
