The Archer Basketball program is looking to continue building its tradition and seeking local community support to rally behind these efforts. The Lady Tigers made their 2nd consecutive Final 4 appearance while going 26-6 playing a nationally rated schedule. The Tigers made the Sweet 16 last year for the 3rd time in school history and advanced to 2 Region Championship games as well. This year, both teams have been invited to several showcase events and tournaments. Your support will be GREATLY appreciated and appropriate recognition will be given. Thanks in advance for your consideration.
