Game time:

Kickoff will be at the scheduled time unless games are delayed. Each team must be ready to play at the scheduled time or immediately after the conclusion of the previous game as determined by the Referee, or the team is subject to forfeiting the match.

Playing Conditions:

The home team is listed first or on top in the schedule. Both teams will occupy the same side of the field. Only players, coaches, and managers who are on the validated tournament roster may be present on the teams' sideline. Parents and un-rostered visitors will occupy the opposing side from the teams. In case of uniform conflict, the home team is responsible for changing to an alternate color, however the visitor must arrive wearing their darkest uniform. This is to circumvent a problem where the visiting team wants to wear white to force the home team into a darker uniform. The complex director will resolve any dispute. 9U-19U games will be officiated by a Center Referee and two Assistant Referees. Each team must be prepared to present a game ball to the Center Referee prior to the start of the game for his/her selection. In case of inclement weather, the Tournament Director and/or Field Coordinator will determine if a game is to be played. Once the game has started the decision rests with the Center Referee. If any games are canceled, it is up to the coaches of the teams to check with the Tournament Director for rescheduling information. Games shall be considered complete if one half of the game has elapsed. The score at the stoppage of play will be the final score. If one half has not elapsed and the game is stopped, the game must be rescheduled if it affects the outcome of the tournament and if weather permits. Players may be substituted with the consent of the Center Referee at the following times:

1. Prior to a throw-in in your favor, if your team substitutes, the Center Referee may permit the other team to also substitute.
2. Prior to a goal kick by either team.
3. After a goal by either team.
4. When the Referee approves an injury substitution by one team, the other team may substitute an equal number of players.
5. At half time.
6. When the Referee stops to caution a player, only that player may be substituted prior to the restart of the game.
7. No player shall leave the field of play without the consent of the Referee.
8. Players shall enter and leave the field at mid-field.

Team and Player Credential Check:

Each team must be able to present its validated tournament game roster and player, coaches/manager cards (if a non-NTSSA team) to the Tournament Official prior to the start of each match, if requested. A player may play for only one team in the tournament and must be listed on the validated tournament game roster. If a player plays in a game and is not properly registered, the team will automatically forfeit that game and may face further penalties as determined by the Tournament Director and/or Home Association.

Team Discipline ("Cumulative Card System"):

a. Yellow Cards: A player receiving a second yellow card in a single game is suspended for the balance of that game and the next game within that competition.

b. Red Cards: A player receiving a red card or a coach/assistant coach who is sent off is suspended for the balance of that game and the next game within that competition, or if in the last game of the competition, may be referred to North Texas for further sanctions.

Any individual that has been ejected must leave the field area within two minutes of the ejection or the game will be forfeited. **Also Ejection for fighting or violate conduct will automatically result in the person not being allowed to participate in the remainder of the tournament.**

NOTE: If Tournament Officials determine that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the IFAB Laws of the Game, such officials may reduce the red card to a yellow card and assess sanctions accordingly. The Tournament Officials may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

c. The Sit-Out Verification Form (used for any player, coach, manager, or spectator, sitting out a game due to disciplinary action) must be signed by the referee. The Coach is responsible for the actions of verbal and physical abuse of referees by his/her spectators. Such abuse will not be tolerated.

Team Protests and Appeals:

Protests and appeals will be allowed only if the Referee has misapplied the rules of the game or if a team uses an ineligible player. The offended team may file a protest by submitting in writing, the nature of the violation within two hours of the incident, along with \$250 in cash to the Tournament Director. If the protest is upheld, the fee will be returned and corrective action as determined by the Tournament Director will be taken. The Tournament Director must determine that the violation defined by the written protest materially affected the outcome of the game. The decision of the Tournament Director will be final.

Matters Not Provided For:

Any situation or questions on rules of competition not covered herein will be governed by NTSSA rules and USYSA policies, in that order. Any matter not provided for in Tournament rules or NTSSA rules and USYSA policies shall be determined by the Tournament Director, whose decisions shall be final. There are NO Dogs or Pets allowed at the fields. Consumption of alcoholic beverages on City of Plano facilities is against the law and will not be allowed. There is NO smoking allowed at the fields.
