## Dance 'Til You Drop

### Purpose

To develop dribbling, movement, and spatial awareness.

### Organization

Set out a 20 x 20 yard area. 12 players, 1 ball each. Station 4 cones around the outside of the area.

### Game Objective

The coach whistles or sings. Players must dribble around the area until the music stops. When the music stops, players leave their ball, run around the closest cone and return to the closest ball. In a progression, the coach reduces the number of balls so that players have to be quicker and more decisive when returning to the balls. This activity teaches speed of thought and movement with the ball.

### Story

It's the school dance, and the DJ is playing top 40 tunes, baby . . . yeah. The power goes out and the music stops. The dancers must find the emergency exits out of the gym.
