TOM & LINDA MOSIER AWARD

Established on June 11, 1988, the award is named in honor of Tom and Linda Mosier for their notable work for NC Youth Soccer Association as state statisticians (for the classic program) and as the first editors of the association newsletter. Tom continued his volunteer contribution to NC Youth Soccer by providing a registration program for the state and member associations. He contributed hundreds of hours working with the staff and member associations meeting their needs. **The award is given for notably significant contributions to the growth and development of youth soccer in North Carolina** and is awarded periodically, not necessarily annually. No specific criteria other than the description of the award have been set. The first recipients of the award were **Tom and Linda Mosier**.

NOTE: Nominations will be presented to the NC Youth Soccer Executive Board for their consideration and selection in December.
