# RAYHA's 1<sup>st</sup> Skate Hockey Program

## Minnesota is the 'State of Hockey', but.....

Many Minnesotans have never had a chance to try hockey. Often hockey is perceived as too expensive, too complicated or too competitive. The Roseville Area Youth Hockey Association (RAYHA) is on a mission to change that—We want ALL Roseville area kids to give it a try!

We are introducing our '1st Skate' Hockey Program this year. This program is specifically designed for kids & families who are unfamiliar with (or completely new to) hockey. We'll cover all the basics, and keep the focus on FUN! The cost is only \$25 and we will provide each player a set of equipment to use during the program.
