Review of topics discussed at RI Hockey meeting

Toby filled the board in on the RI Hockey meeting. The highlights:

- Safe Sport needs to be completed BEFORE the season starts by all coaches and volunteers.
- State is asking for more uniformity in Mite ½ ice game protocol (i.e. ref shirts, scorekeeper, clock operator) SRI was model for this last season
- The state will subsidize jamborees for the Mite B and C division year end events.
- The state Registrar will NOT approve any roster which lists a coach without the proper USAH and RI Hockey required credentials.
- WW rink being renovated with hopeful reopening by 9/1.
- No update on the status or plan for the damaged Cranston Bubble.

Fundraising

Further discussion about Courtney's idea for selling a calendar in the fall which will have daily prize winners during the month of December. Incentives for selling calendars for

members may include: 16/17 tuition credit, team tournament credit. Greg G will help with calendar design and printing. More details to follow at next meeting.

VOTE: SRI will move forward with plans to print and sell a “raffle calendar.”
