

# SCRIP PROGRAM

RAMS Hockey Association

## What is Scrip?

Are you interested in defraying some of your hockey costs by shopping for groceries, getting gas, or purchasing things you use every day (e.g., Meijer, Amazon, iTunes, Target, Kohls, BP, Family Fare, Disney)?

If the answer is YES, the Scrip Program could work for you!

*Scrip Program Coordinator*

Lori Hodel

[Lori.Hodel@miwp.uscourts.gov](mailto:Lori.Hodel@miwp.uscourts.gov)

616-863-8259 (Home)

616-916-7246 (Mobile)

The enrollment code is: F2482ACD33853

## How does the Scrip program work?

When you participate in the Scrip program, you purchase gift cards (physical, instant, reloadable cards) for the things purchase regularly such as groceries, gas, gifts, meals, etc. There are Scrips for most businesses and each card has a specific rebate attached to it, which is the amount of money that will be put toward your hockey player fees.

For example, if you purchase a \$100 Meijer card, you can earn 3-4%.

## How Do I Set Up a Scrip Account?

- 1 Go to [www.shopwithscrip.com](http://www.shopwithscrip.com). If you do not have an account, click Log In > Sign Up Here.
- 2 Fill out your information. Under **Student Name**, type your player's name. In the **Teacher** field, type RHA-coach's name (just as a reference). The enrollment code is: F2482ACD33853 (This will tie you in with Rockford Hockey Association.)

## FACTS

...

Scrip gift cards are the same gift cards you can purchase from the retailer. With over 300 of the country's biggest brands, including grocery and department stores, gas stations, restaurants, hotels and home improvement, SCRIP has something to appeal to every family in your organization.

By simply planning ahead on everyday purchases, the average family can potentially offset their hockey fees by at least \$11 a week. That modest number adds up quickly. It's easy for a family to earn \$500-\$1,000 in a year, and many families earn much more!

The more families participating in the Scrip Program for our organization, the better the rebate potential!

...

## Three Types of Scrip Cards

**Physical Cards** - If you purchase a physical card, it will be shipped to your SCRIP Coordinator and your Scrip Coordinator will contact you when the card arrives to arrange getting the card to you. These types of cards require you to plan ahead. Think Christmas gifts! ☺

**Reloadable Cards** - These types of cards are similar to the physical cards in that you purchase the card and it is shipped to you. However, what is nice about these types of cards is that, after you have physical possession of the card, you can reload the card at any time with money and a certain percentage of those funds will go toward your hockey player fees. Just make sure you give your reload about 48 hours to load before using.

**ScripNow/Instant Cards** - These are the easiest cards to obtain. You can even purchase them at whatever point you need them. For example, you are at Buffalo Wild Wings eating dinner. Once you receive your bill, you go to the [www.shopwithscrip.com](http://www.shopwithscrip.com) website or web app "My Scrip Wallet" and purchase the instant Scrip at that time. You can either write down the code on your bill or give your mobile device to your waiter/waitress. He/she will apply the code to your bill and you are all set.

**3** Click on Presto Pay on the left menu. You will need your bank routing information to do this. After you have put in all of your information, Presto Pay will then deposit two random amounts of money (for example, \$0.01 and \$0.02) into your designated bank account within a few days.

**4** When you see those deposits have been made into your bank account, go to your [www.shopwithscrip.com](http://www.shopwithscrip.com) account, return to the Presto Pay tab, and enter those amounts. It will give you a confirmation/authorization code.

**5** When you receive your confirmation code (usually four digits), send an email message to Lori Hodel ([lori\\_hodel@miwp.uscourts.gov](mailto:lori_hodel@miwp.uscourts.gov)) with your confirmation code. Once the Scrip Coordinator enters your approval code, she will let you know that you are now free to start purchasing Scrips.

### *How do I purchase Scrips?*

Once you have your account established, go to the website ([www.shopwithscrip.com](http://www.shopwithscrip.com)) and click Shop tab at the top of the page. This will take you to the list of all of the retailers that participate in this program.

When you click on each retailer, it will show you the options that are available for their gift card (reloadable, physical card, or instant/ScripNow).

If you want to buy a gift card, click on the option you want and enter the amount of money. Add the card to your cart and begin the checkout process. It's as simple as that!

### *How are Scrip rebates applied to my player's account?*

Each month, the Scrip Coordinator will send a report of activity to the RHA Treasurer (Ryan Seauvageau) so the appropriate credits can be applied to individual player accounts. Player bills must be paid by the required due dates regardless if you have Scrip money. Balances accrued after player bills are paid in full will be applied as available credits for future payment due to RHA. All unused balances are non-refundable.

You can view your own account summary by going to: [www.shopwithscrip.com](http://www.shopwithscrip.com) > Dashboard > Family Functions (left menu) > Reports.

### *Can I use Scrip on my mobile device?*

You can access Scrip by going to [www.shopwithscrip.com](http://www.shopwithscrip.com) or use the web app found at "myscripwallet.com" by adding the app to your home screen on your mobile device.

### *Disclaimer*

It is each family's responsibility to repay Rams Hockey Association (RHA) for any costs incurred due to non-sufficient funds (NSF). These costs include a \$30 NSF fee charged to RHA, as well as the cost of the Scrip purchased.
