

Masters/Age Level Session (40 and Over)

November 21st at American Turners (Bronx NY)

GEVA is promoting interest in Masters Volleyball (Age Level) play. This applies to players who are 40 years old or older. There will be an open play session where players may enter as a team or as individuals to be added to teams. All players must be registered as a member with USAV/GEVA.

Some teams may want to participate in the [USA Volleyball Open National Championships](#) and may want to use this session to find players to add to their team. Individual players could decide to form a Masters team to play in GEVA adult tournaments and/or the USAV National Championships. The National Championships age groups include 40, 45, 50, 55, 60, 65, 70, and 73 levels.

The 2016 USA Volleyball Open National Championships (#USAVopen) will be held in Orlando, Florida from May 27 to June 1.

Individual and team forms are attached to participate in the Masters session.

The Masters session will be held at American Turners (address below) and will start at 9:00 AM

American Turners
748 Clarence Avenue
Throggs Neck (The Bronx), NY 10465-1704

A one day membership is available for participation at the Masters session. The one day membership can only be used one time. That is, if a player would like to play again after using the one day membership, that player must upgrade to the full membership.

For those who would like to use the one day membership, they must register on-line using the [USAV Webpoint system](#) before being allowed to play in a sanctioned tournament. A full membership is also available on [Webpoint](#).
