

## **Southwest Michigan Blades Attendance Policy 2016-2017**

All players are required to attend all practices, games, league meetings and team events.

Excused absences are permitted for injury, illness or school academic events.

Injured players should still attend all games and practices unless approved otherwise by coaching staff.

Players competing in fall sports are excused until their season is complete.

Dentist appointments, extracurricular activities and player employment will not be accepted as an excuse to miss team games, practices and events.

Holiday Travel (Thanksgiving and Christmas) is an excused absence if presented to the coaching staff three weeks in advance.

Players with an illness should call the coaching staff prior to missing the practice or game.

Players with academic responsibilities after school should contact the coaching staff if you will be arriving late.

Unexcused absences will result in loss of playing time or suspension from games
