Season 1 Tracking Sheet

Parents,

In Season 1, we will do our best to teach your child the basic fundamentals of basketball they will need to improve, succeed, and enjoy the game of basketball. Our goal in Season 1 will be to get the kids as much playing time to improve their game of basketball both in practice and games.

Season 1 of EGF YBA will be an ongoing evaluation of the kids to determine who will be invited to play in Season 2 traveling team. During Season 1, your child will be given a grade each week for skills, behavior/attitude, and attendance. At the end of the season we will add up the total scores of each child and invite the top 10 players to play in Season 2.

The reason we will only be taking 10 players on the travelling team is due to the competitive nature of tournament season. All players in Season 2 will not have equal playing time and will be coached in a competitive manner to try to be successful. More than 10 players on a team ends up being too much. This is the same tracking sheet we used last year with a few modifications.

The following is an example of the tracking sheet that the coaches will be using to evaluate the kids throughout Season 1.

5 = Excellent
3 = Satisfactory
1 = Unsatisfactory

Basket Ball Player		Week 1 16-Nov	Week 2 23-Nov	Week 3 30-Nov	Week 4 7-Dec	Week 5 14-Dec
1	<i>Skills</i>					
<i>Billy Basketball</i>	<i>Behavior</i>					
	<i>Attendance</i>
