2012 IYHL Dates:

Preliminary calendar for July through October handed out by Chris Kleve for review.

July 25 first registration day, Aug 11 Back to Hockey, August 25 Port-a-Pit (Laporte location added), Sept 8 Fall Camp and LTP start, Nov 3 first weekend of House activities

Other dates discussed- Drew will send out email and post on the web site in early June that prospective travel team coaches should fill out coaching application and return to him by specified date.

July 15 an email will be sent out to IYHL members to download registration forms from IYHL web site.

Need to decide on dates for team pictures, and Jeff Breiler will ask Gretchen Lambert if she wants to head this up

RENTAL EQUIPMENT

IYHL bought another 28 rental bags so have around 100 total

Bags are for first year players only, and for 1 season, if use for Spring hockey cost is additional \$20

Drew will call Dave Waltman to place stick order to go with rental bags

Craig Brown will order LTP jerseys from Waltman based on the number we ordered last year
Craig said we still have some goalie bags out so Chris will send email for parents to turn them in

Brian volunteered to organize IYHL room that is above pro shop. Need to keep it locked, only four people with keys: Kleve, Herendeen, Troester, Klute

ICE COSTS

Ice Box- shouldn't go up in 2012-2013, stay at \$265 per hour, so IYHL registration cost will stay the same.

Notre Dame- not sure if rates will go up, as of now \$210 for 50 minutes.

Board expressed concern about ND quality of ice, and ND time clock, and getting shorted on ice time when our teams get on late because the rink is behind or takes too long to cut Olympic sheet. Chris will meet with Mike McNeill to address these issues.

FINANCIALS: Aimee Kinkade will give us update at next meeting.

SPONSORS

Craig brown will send out letters to prospective sponsors. Had 32 teams last year and had a few with no sponsors.

BACK TO HOCKEY

Need new chair person since Mike McNeill now at ND. Brian will ask Leanne Mazurek if she might take it over.

LEARN TO PLAY

Pete Gillian will probably still lead it with help from Brian Troester. Need to make some changes from last winter. Brian will get with Pete if he still leads it to work out on ice plans.

FALL TRAINING CAMPS

Discussion about moving it to Notre Dame during the week so McNeill and his staff could run it. Games on weekend would be at Ice Box. Board had concerns on who would run it at IB and if lost revenue from ice rental would hurt IB. Also concerns about who would work with Mike to run it at ND. Chris will talk with Mike to get more info about them running the program.

NEW LEAGUE POSITIONS

Still have potential new positions to fill that could be board members or non-board members to help out in certain areas and these people would report to the IYHL Board.

DRY LAND TRAINING CENTER

IB staff said can't pull out air filter system in ceiling, so project can't begin until that is done. Chris will call Mike Klute to see how we can move forward with step one, even if we need to pay someone or give them scrap metal to get the job done.

SCHEDULING CALENDER-

Discussion about using google calendar, but Chris doesn't want to do it since IYHL calendar changes a lot. Aimee Knikade checking on another web site with calendar IYHL might be able to use.

SPRING HOCKEY

Craig said no problems, but starting to see number of kids that show up drop, but is normal for this time of year.

SOUTH BEND YOUTH HOCKEY

There was a meeting but nothing done or decided especially if Ice Box is going to add Director of Hockey Operations. Jeff Sax and Chris Kleva will keep Board apprised of any updates
