

# Golden Valley Girls Softball

## Parent/Spectator Code of Conduct

Effective 3-31-05 all public areas in the city of Golden Valley are **SMOKE FREE.**  
GVGS assumes no liability for any violating this ordinance

As a parent and spectator I will strive to:

- Cheer for and encourage the entire time
- Refrain from shouting instructions to individuals
- Relinquish responsibility for the athletes to the coach during the game
- Applaud performances and effort demonstrated by both teams
- Refrain from making negative comments
- Instill and reinforce the competition as a game and sport, not a war
- Help young athletes see the positive side if a disappointment occurs
- Point out the positives, not the mistakes, when "replying to the game"
- Model self-control, showing respect for the game, the players, the coaches and the umpires

Be mindful that what you say and do is heard, seen and emulated by others. You can lift the spirit and confidence of a young athlete with your encouragement and example.

Keep It Positive!!!!

Thank you,

Golden Valley Girls Softball
