I - GENERAL RULES AND REGULATIONS

(1) The MHSA will promote, provide for and control all interschool tennis activities among the member schools. USTA rules will govern play.

(2) Participants will wear the following school-approved traditional tennis attire which is appropriately sized (uniform to include top and bottom garments): shirts will be full-length with finished edges with collars, traditional crewneck, v-neck or mock-turtle neck design. Well-fitting racer back tops will be allowed. Sleeveless shirts must extend from the base of the neck to the top of the shoulder on each side. Halter tops, spaghetti straps and tank tops will not be permitted. Shorts and skirts will be worn at the waist with a minimum five-inch inseam. All shorts (a pair of compression shorts having a flap or panel across the front and back to resemble a skirt) are legal bottom garments. The skirt must be appropriately sized for the individual, worn as the manufacturer intended, and the flap or panel must be long enough to cover the compression shorts.

The upper portion of the tennis dress will be full-length with finished edges with collars, traditional crewneck, v-neck or mock-turtleneck design. It must extend from the base of the neck to the top of the shoulder on each side. Halter tops, spaghetti straps and tank tops will not be permitted. The lower portion of the tennis dress must be appropriately sized for the individual, worn as the manufacturer intended, and the length of the dress must be long enough to cover the compression shorts.

Adornments on clothing or headwear will not advertise drugs or alcohol or contain offensive material as deemed inappropriate by the meet director or tournament manager. After the first violation of this rule, there will be a warning administered for the individual and the team with the uniform violation being corrected within five minutes before continuation of play is to resume. After the second violation, the individual forfeits the match and the team is deducted one (1) team point.

The meet director has the right to waive the uniform rule due to inclement weather; however, each participant must be dressed appropriately during all competition.

(3) Montana shall be divided into three classifications for tennis.

A. Seventeen (17) schools comprising sixteen (16) teams are classified as Class AA. The schools are aligned in four divisions as follows:

B. Nineteen (19) schools comprising nineteen (19) teams are classified as Class A. The schools are aligned in four divisions as follows:

C. Fifteen (15) schools comprising ten (15) teams are classified as Class B-C for boys' tennis. The schools are aligned in two divisions as follows:

D. Thirty-one (31) schools comprising thirty (31) teams are classified as Class B-C for girls' tennis. The schools are aligned in six divisions as follows:

*Cooperative Sponsorship

(4) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any contests may be played. No individual shall play in any Association tennis contest until he/she has a minimum of ten (10) days of tennis practice of at least one practice session per day on ten different days (no practice permitted on Sunday), prior to the date of the first allowable game.
The initial ten (10) practices for each individual must be completed as a comprehensive, regularly scheduled team practice with the full coaching staff.

When determining what constitutes a MHSA practice that satisfies the language above in (4), the following criteria must be applied:

1. Practice must be at least one (1) hour long.
2. At least one full squad (varsity team/J.V. team/C squad) and their coaching staff must be present.
3. The athlete must participate in the entire practice.
4. Practice should include the majority of drills and conditioning that are the norm for that team or squad.
5. A practice the day of an association sanctioned contest does not count (unless an athlete is practicing with another squad that does not have a contest that day, i.e. a varsity team member who stays home and practices with the JV team that does not have a contest that day).
6. Warm-ups or walk-throughs with the team prior to a contest does not constitute a practice.

If a student begins his/her initial ten (10) days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or any other reason for a period of two weeks, then the student shall be required to practice an additional five (5) days and in cases of sickness or injury to produce a doctor’s release.

Athletes participating on teams competing in MHSA post season play, which overlaps the beginning of the next MHSA sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

(5) The tennis seasons for both boys and girls officially close with the end of the state tournament for the classification of the school concerned.

(6) Twelve (12) dates of competition will be the maximum number per individual tennis player excluding Association sponsored tournaments. A two-day tournament counts as two days of competition towards the season limitations.

(7) For an athlete to be eligible to compete in the post season meet he/she must compete in at least two (2) Association-sanctioned meets during the regular tennis season. A medical waiver from a certified physician stating that an athlete has sustained an injury preventing him/her from competing until that time will be accepted as a condition to be exempt from this rule. The high school for which the student will participate must file a request with the MHSA Executive Director for consideration of a waiver of this rule.

(8) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any match or tournament, but once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered into the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

(9) Wilson is the official ball and tennis supplier of the Montana High School Association. The Wilson US Open ball is the ball used for all MHSA state tennis meets. The MHSA recommends the use of this ball for all regular season events.

(10) The MHSA prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

(11) Hair devices made of soft material or unadorned hair devices, such as bobby pins, barrettes, or hair clips, no longer than two inches, may be worn to control a player’s hair. Hair adornments made of soft material and no more than two inches wide may be worn.

II - RULES FOR DIVISIONAL TOURNAMENTS

(1) All entries to the divisional meet shall be forwarded to the divisional meet manager one week in advance of the divisional tournament.

(2) Schools within these divisions from each of three classifications wishing to qualify participants into state competition may enter up to eight singles participants (four boys and four girls) and four doubles (two boys teams and two girls teams) in a divisional playoff at their respective sites. Class A may enter three boys’ and three girls’ teams in doubles competition. Class AA may enter four boys’ and four girls’ teams in doubles competition.

(3) Events will be boys’ singles, boys’ doubles, girls’ singles and girls’ doubles. Both boys and girls shall be allowed to enter one event only, either singles or doubles, but not both.

(4) Both the divisional and state tournaments in all classes shall be organized so that they are double elimination from the first round through semi-finals, in both singles and doubles. The only exception to this would be in the divisional play where the divisional manager may set up pro-sets on the first round as single elimination. This would be in a situation where there is an unusually large number of entries in the divisional tournament.

(5) Care should be given to scheduling each player or team on a variety of courts in order to equalize playing conditions. Care should be taken to avoid, when possible, early round matchups of contestants from the same school.

(6) Each division will be charged with the responsibility of determining the divisional tournament seeding criteria. Suggested criteria for seeding entries could include the following; past record in previous state high school meets, divisional meets, head to head competition with most recent matches carrying the most weight, and record against common opponents.

(7) Because of injury, illness or other emergency situations, one boy or one girl, who was named as an alternate before the start of competition, may be used as a substitute before or during the divisional meet for doubles play only. This substitute can only be placed at the beginning of a match. This substitute shall not be a qualifier from any other tennis event.

(8) Each division is responsible for selecting a site and manager for its divisional tournament. In case of foul weather, the tournament will be held on the Monday following the regular, scheduled time of the divisional meet.

(9) The top four singles players and the top four doubles teams from each divisional tournament in Classes AA and A will advance to the state tournament.
For the state B-C girls’ meet - each of the divisions will qualify 4 singles players for a 32 player singles bracket at state and each of the divisions will qualify 3 doubles teams for a 24 team bracket to state.

For the state B-C boys’ meet - each of the divisions will qualify 6 singles players for a 24 player singles bracket at state and each of the divisions will qualify 4 doubles teams for a 16 team bracket to state.

(10) Scoring in Class A divisional tournaments will be: 1st - 10 points; 2nd-7 points; 3rd-4 points; and 4th-2 points.

Scoring in Class AA divisional tournaments will be: 1st - 7 points; 2nd-5 points; 3rd-3 points; 4th-1 point.

The four events are boys' singles, boys' doubles, girls' singles and girls' doubles. To determine team champions in the divisional tournaments, two (2) advancement points will be given to those players advancing on the winner’s bracket and one (1) advancement point for those advancing on the consolation brackets, one point also for defaults, forfeits and disqualifications. Byes receive two (2) points on the winners’ side of the bracket if the individuals win their next match and one (1) point if the player who receives the bye wins the next round on the consolation side of the bracket.

To determine team champions in B-C divisional tournaments, two (2) advancement points will be given to those players advancing on the winner’s bracket and one (1) advancement point for those advancing on the consolation brackets, one point also for defaults, forfeits and disqualifications. Byes receive two (2) points on the winners’ side of the bracket if the player who receives the bye wins the next round and one (1) point if the player who receives the bye wins the next round on the consolation side of the bracket. Scoring in the divisional B-C tournaments will be 1st-10 points; 2nd - 7 points; 3rd - 4 points; 4th - 2 points.

(11) The MHSA method of breaking ties at divisional tournaments shall be the USTA Set (7-point) tie breaker (same as twelve point tiebreaker used in previous years).

SINGLES: A, having served the first game of the set, serves the first point from the right court; B serves point 2 and 3 (left and right). A serves points 4 and 5 (left and right); B serves point 6 (left and after they change ends, point 7 (right); A serves points 8 and 9 (left and right); B serves point 10 and 11 (left and right), and A serves point 12 (left). A player who reaches 7 points during these first 12 points wins the game and set. If the score has reached 6 points in all, the players change ends and continue in the same pattern until one player established a margin of two points, which gives that player the game and set. Note that the players change ends every six points, and that player who serves the 1st point of one of these 6-point segments also serves the first point of the next one (from right court). For a following set the players change ends, and B serves the first game.

DOUBLES follows the same partners preserving their serving sequence. Assume A-B versus C-D, with A having served the first game of the set. A serves the first point (right); C serves points 2 and 3 (left and right); B serves points 4 and 5 (left and right); D serves point 6 (left) and the teams change ends. D serves point 7 (right); A serves points 8 and 9 (left and right); C serves points 10 and 11 (left and right); B serves point 12 (left). A team that wins 7 points during these first 12 points wins the game and set. If the score has reached 6 points all, the teams change ends. B then serves point 13, (right) and they continue until one team establishes a two-point margin and thus wins the game and set. As in singles, they change ends for one game to start a following set, with team C-D to serve first.

(12) Competitors’ conduct:

A. All tennis players in MHSA sanctioned tournaments shall be penalized one team point (on the first infraction) and removed from further play (on second infraction) for any unsportsmanlike conduct on site after a match or before the next match or at the end the tournament.
