

## **MASH Scholarship Application and Fund Allocation Process**

### **Purpose:**

Our mission is to create a youth athletics experience providing all an opportunity to pursue a passion, an environment centered on community and a mindset focused on attitude and effort.

The Scholarship Fund will support the cost of youth athletics participation for families facing unexpected hardships or extenuating circumstances. This includes participation fees, membership dues, coaching costs, uniforms, and equipment.

### **Application Process:**

- There is an ongoing application process
- Applicants can apply once annually
- The MASH Scholarship Board meets quarterly to review all new applications.

### **Fund Allocation Process:**

The MASH Scholarship Fund established an equity balance from an original donor. This equity base allows us to allocate 100% of funds raised towards scholarship.
